Make your pocket verse cards

Eight different complete verses, sized for a pocket, lunchbox or small bag. Start with one verse and carry it through the day.

Combined Print Guide: parent pages 1-3; blanks 4 and 6; holder 5; print test 7-8.

1 Choose one design

Color file: Rainbows, pages 1-2; Moon and Stars, 3-4; Dolphins, 5-6; Unicorns, 7-8; Camouflage, 9-10. Or use the two-page Ink Saving file. Every design has the same eight verses. Print one pair, not the entire color file.

2 Test your printer first

Use US Letter (8½ × 11 in), portrait, Actual size or 100%, and two-sided printing with Flip on long edge. Turn off Fit, booklet mode and multiple pages per sheet. Print the two-page Alignment Test on plain paper. Hold it to a light: matching numbers, TOP labels and outlines should align.

3 Print and cut

Use paper or cardstock your printer supports; check its duplex weight limit. Print your chosen pair. Cut at the front corner marks for eight 3¼ × 2 in cards. The rounded border is decorative. Keep the small card IDs so fronts and backs stay matched.

No two-sided printer?

Print the front and back pages separately, one-sided at 100%. Cut them out. Match each EXO number and verse reference; glue pairs back to back with top edges aligned. Let dry fully. Manual paper refeeding varies by printer, so test plain paper first.

Optional lamination

Cut paper cards out first. Use a pouch approved for your laminator. Leave at least ¼ in between cards and ⅛ in clear film around every paper edge, or more if the pouch maker requires. A 2 × 4 arrangement fits a Letter pouch with these gaps. Laminate and cool as directed. Trim with at least ⅛ in of sealed film around each card; never cut through the seal.

A grown-up handles the tools

An adult should operate the laminator, trimmer and sharp scissors. Round sharp plastic corners without opening the seal. Avoid small rings or loose fasteners for young children. Keep cards away from babies and children who put objects in their mouths.

Physical printing, holder assembly and lamination have not been tested. Check plain-paper alignment and holder fit before cardstock or lamination.

Learn one verse at a time

Eight selected verses introduce God's call, Israel's rescue, worship and covenant. Four are from the Ten Commandments; this is not a complete Ten Commandments set. Read each passage in its place in the story.

01 Exodus 3:14 | God reveals his name

Read Exodus 3:7-15. Who is sending Moses to the people of Israel?

02 Exodus 14:14 | God rescues Israel

Read Exodus 14:10-16. What does Moses tell the frightened Israelites about God?

03 Exodus 15:2 | Strength and song

Read Exodus 15:1-3. What are Moses and the Israelites thanking God for?

04 Exodus 19:5 | God's covenant with Israel

Read Exodus 19:3-6. What does God ask Israel to do, and what does he say belongs to him?

05 Exodus 20:3 | Worship God alone

Read Exodus 20:1-6. Who rescued Israel, and whom does God tell them to worship?

06 Exodus 20:12 | Honor father and mother

Read Exodus 20:1-2, 12-17. What is one safe, kind way to show respect and care in our family?

07 Exodus 20:15 | Respect what belongs to others

Read Exodus 20:1-2, 12-17. What could we do before using something that belongs to someone else?

08 Exodus 20:16 | Speak truth about others

Read Exodus 20:1-2, 12-17. Why is it important to tell the truth about what another person did?

Read the surrounding passage, then take turns saying a short phrase. Turn the card to the reference side and try recalling the verse. Revisit it tomorrow before adding another. More word meanings and context are on the next page.

Understand words and context

These notes help families read the complete verses together. The explanations and questions are teaching aids, separate from the Bible text.

Follow the story

God calls Moses, brings Israel out of slavery in Egypt and meets the people at Sinai. His rescue comes before the commandments. In Exodus 3:14, I AM is God's self-identification to Moses, not a slogan about ourselves. Read 19:3-6 together: God addresses Israel in a covenant with conditions, not a promise that a child will be wealthy, unharmed or better than others.

Read promises in their setting

Exodus 14:14 describes Israel's rescue at the sea. Read through verse 16: God tells them to go forward. This is not a universal safety guarantee or a reason to ignore danger. Exodus 20:12 addresses Israel in the land God gives them; it is not an individual lifespan guarantee. Respect for parents never requires accepting harm or hiding unsafe secrets. Children can seek trusted adults' help.

Complete verses and source punctuation

Every card preserves one complete World English Bible Classic (WEB) verse. Speech can span several verses, so some quotation marks open or close without their counterpart on the card. Exodus 19:5 ends with a semicolon. These are part of the source punctuation.

Words to explore

Yahweh: God's name, often printed LORD in other English Bibles.

Yah: A shortened form of Yahweh, used in Exodus 15:2.

Salvation: Rescue or deliverance; the song celebrates Israel's rescue.

Exalt: Honor or praise highly.

Covenant: A solemn relationship with promises and responsibilities.

Honor: Show respect and care.

False testimony: An untrue statement against someone, especially in evidence.

Practice gently together

Try asking before borrowing, speaking honestly about someone or showing care at home. Encourage questions and patient practice. Give thanks for God's care while treating suffering seriously.
