Make your pocket verse cards

Eight different complete verses, sized for a pocket, lunchbox or small bag. Start with one verse and carry it through the day.

Combined Print Guide: parent pages 1-3; blanks 4 and 6; holder 5; print test 7-8.

1 Choose one design

Color file: Rainbows, pages 1-2; Moon and Stars, 3-4; Dolphins, 5-6; Unicorns, 7-8; Camouflage, 9-10. Or use the two-page Ink Saving file. Every design has the same eight verses. Print one pair, not the entire color file.

2 Test your printer first

Use US Letter (8½ × 11 in), portrait, Actual size or 100%, and two-sided printing with Flip on long edge. Turn off Fit, booklet mode and multiple pages per sheet. Print the two-page Alignment Test on plain paper. Hold it to a light: matching numbers, TOP labels and outlines should align.

3 Print and cut

Use paper or cardstock your printer supports; check its duplex weight limit. Print your chosen pair. Cut at the front corner marks for eight 3¼ × 2 in cards. The rounded border is decorative. Keep the small card IDs so fronts and backs stay matched.

No two-sided printer?

Print the front and back pages separately, one-sided at 100%. Cut them out. Match each ARM number and verse reference; glue pairs back to back with top edges aligned. Let dry fully. Manual paper refeeding varies by printer, so test plain paper first.

Optional lamination

Cut paper cards out first. Use a pouch approved for your laminator. Leave at least ¼ in between cards and ⅛ in clear film around every paper edge, or more if the pouch maker requires. A 2 × 4 arrangement fits a Letter pouch with these gaps. Laminate and cool as directed. Trim with at least ⅛ in of sealed film around each card; never cut through the seal.

A grown-up handles the tools

An adult should operate the laminator, trimmer and sharp scissors. Round sharp plastic corners without opening the seal. Avoid small rings or loose fasteners for young children. Keep cards away from babies and children who put objects in their mouths.

Physical printing, holder assembly and lamination have not been tested. Check plain-paper alignment and holder fit before cardstock or lamination.

Learn one verse at a time

Read Ephesians 6:10-18 together. These eight complete verses picture God's strength, truth, peace, faith, salvation, word and prayer. Learn one verse gently, without pressure to perform perfectly.

01 Ephesians 6:10 | Strength in the Lord

03 Ephesians 6:13 | Stand firm

Read Ephesians 6:10-18. What could help us keep choosing what is right on a hard day?

04 Ephesians 6:14 | Truth and righteousness

Read Ephesians 6:13-18. How can we practice telling the truth and doing what is right?

05 Ephesians 6:15 | Ready for peace

Read the surrounding passage, then take turns saying a short phrase. Turn the card to the reference side and try recalling the verse. Revisit it tomorrow before adding another. More word meanings and context are on the next page.

Understand words and context

These notes help families read the complete verses together. The explanations and questions are teaching aids, separate from the Bible text.

A picture of spiritual faithfulness

Read Ephesians 6:10-18, including verse 12: the struggle is not against flesh and blood. The armor is never permission to fight people or treat someone as an enemy. It does not promise freedom from trouble or physical harm. Children should tell a trusted adult if they feel frightened or unsafe.

Complete verses and continuing sentences

All eight cards preserve the complete World English Bible Classic (WEB) verses. Lowercase beginnings, commas and semicolons are intentional. Read cards 4-8 together to hear the whole thought. This edition says “utility belt” and “waist” in Ephesians 6:14.

Words to explore

Wiles: Tricks or schemes.

Withstand: Resist or stand firm.

Breastplate: Armor protecting the chest.

Righteousness: What is right before God.

Good News: The gospel of Jesus Christ.

Quench: Put out a fire.

Salvation: Being saved by God.

Perseverance: Continuing faithfully.

Saints: God's people.

Practice gently together

Pray for help, then notice one small opportunity to tell the truth, make peace or care for someone. Adults can practice too. Children do not have to pretend they never feel weak or afraid.

My Bible verse card holder

Print one-sided on cardstock at 100%. The pocket is about 3¾ × 2½ × ¼ in, intended for eight cards with a ⅛ in lamination border. Test paper assembly and fit first.

Solid line = cut **Dashed line = fold**

1. An adult cuts the solid outline. 2. With the printed side down, pre-fold every dashed line inward. The narrow strips make the depth of the pocket.

3. Fold the side strips up and their glue tabs inward. Put glue or double-sided tape on the printed glue tabs. Fold the lower panel up over the tabs and press. Leave the top open.

4. Let dry, slide in the cards, and fold the top flap over the opening. Close with removable tape. Physical assembly is untested; try plain paper first. Do not force a thick stack.
