Make your pocket verse cards

Eight different complete verses, sized for a pocket, lunchbox or small bag. Start with one verse and carry it through the day.

Combined Print Guide: parent pages 1-3; blanks 4 and 6; holder 5; print test 7-8.

1 Choose one design

Color file: Rainbows, pages 1-2; Moon and Stars, 3-4; Dolphins, 5-6; Unicorns, 7-8; Camouflage, 9-10. Or use the two-page Ink Saving file. Every design has the same eight verses. Print one pair, not the entire color file.

2 Test your printer first

Use US Letter (8½ × 11 in), portrait, Actual size or 100%, and two-sided printing with Flip on long edge. Turn off Fit, booklet mode and multiple pages per sheet. Print the two-page Alignment Test on plain paper. Hold it to a light: matching numbers, TOP labels and outlines should align.

3 Print and cut

Use paper or cardstock your printer supports; check its duplex weight limit. Print your chosen pair. Cut at the front corner marks for eight 3¼ × 2 in cards. The rounded border is decorative. Keep the small card IDs so fronts and backs stay matched.

No two-sided printer?

Print the front and back pages separately, one-sided at 100%. Cut them out. Match each LEV number and verse reference; glue pairs back to back with top edges aligned. Let dry fully. Manual paper refeeding varies by printer, so test plain paper first.

Optional lamination

Cut paper cards out first. Use a pouch approved for your laminator. Leave at least ¼ in between cards and ⅛ in clear film around every paper edge, or more if the pouch maker requires. A 2 × 4 arrangement fits a Letter pouch with these gaps. Laminate and cool as directed. Trim with at least ⅛ in of sealed film around each card; never cut through the seal.

A grown-up handles the tools

An adult should operate the laminator, trimmer and sharp scissors. Round sharp plastic corners without opening the seal. Avoid small rings or loose fasteners for young children. Keep cards away from babies and children who put objects in their mouths.

Physical printing, holder assembly and lamination have not been tested. Check plain-paper alignment and holder fit before cardstock or lamination.

Learn one verse at a time

Eight selected verses connect holiness with worship, sharing, care for neighbors and respect for God's land. Read the surrounding verses together, then learn one card at a time.

Read Leviticus 19:1-4. Who calls Israel to be holy, and what does he say about himself?

03 Leviticus 19:14 | Protect your neighbor

Read Leviticus 19:13-16. How can we make a place safer and more welcoming for someone?

04 Leviticus 19:18 | Love your neighbor

Read Leviticus 19:17-18. What could loving your neighbor look like during a disagreement?

05 Leviticus 19:32 | Honor older people

Read Leviticus 19:30-32. How could we show an older person respect and care?

06 Leviticus 19:33 | Welcome people from other lands

Read Leviticus 19:33-34. How could we help someone from another country feel welcome?

07 Leviticus 22:31 | Listen and live God's words

Read Leviticus 22:31-33. What is the difference between knowing God's words and doing them?

08 Leviticus 25:23 | The land belongs to God

Read Leviticus 25:23-28. Who does God say the land belongs to?

Read the surrounding passage, then take turns saying a short phrase. Turn the card to the reference side and try recalling the verse. Revisit it tomorrow before adding another. More word meanings and context are on the next page.

Understand words and context

These notes help families read the complete verses together. The explanations and questions are teaching aids, separate from the Bible text.

Hear who is speaking

God gives these instructions to Israel through Moses after bringing the people out of Egypt. Holy means set apart for God and his ways. Leviticus 22:31-33 connects keeping God's commandments with his rescue and his work of making Israel holy.

Notice the neighbors

Read 19:9 with verse 10: food is left for people who are poor and people from other lands. Verse 14 forbids taking advantage of people who cannot hear or see. Verse 32 honors older people, and verses 33-34 call Israel to care for people from other countries. Discuss respectful, practical care.

Understand the land instruction

Leviticus 25:23 belongs to Israel's land arrangements and the Year of Jubilee, when family land was to be returned. It reminds Israel that the land belongs to God. Some cards begin with nested quotation marks because God is giving Moses words to tell Israel; the speech continues beyond each card.

Words to explore

Yahweh: God's name, often printed LORD in other English Bibles.

Gleanings: Crops left behind after the harvest.

Fear your God: Reverence for God that shapes how we live.

Vengeance / grudge: Hurting someone back / holding on to anger against them.

Foreigner: Someone living away from their own country.

In perpetuity: Forever.

Jubilee: Israel's fiftieth year, when family land was to be returned.

Practice gently together

Choose one act of care: share food, make a path easier to use, listen to an older neighbor or welcome a newcomer. Ask before helping. Children can seek a trusted adult's help when someone is being hurt.
