Make your pocket verse cards

Eight different complete verses, sized for a pocket, lunchbox or small bag. Start with one verse and carry it through the day.

Combined Print Guide: parent pages 1-3; blanks 4 and 6; holder 5; print test 7-8.

1 Choose one design

Color file: Rainbows, pages 1-2; Moon and Stars, 3-4; Dolphins, 5-6; Unicorns, 7-8; Camouflage, 9-10. Or use the two-page Ink Saving file. Every design has the same eight verses. Print one pair, not the entire color file.

2 Test your printer first

Use US Letter (8½ × 11 in), portrait, Actual size or 100%, and two-sided printing with Flip on long edge. Turn off Fit, booklet mode and multiple pages per sheet. Print the two-page Alignment Test on plain paper. Hold it to a light: matching numbers, TOP labels and outlines should align.

3 Print and cut

Use paper or cardstock your printer supports; check its duplex weight limit. Print your chosen pair. Cut at the front corner marks for eight 3¼ × 2 in cards. The rounded border is decorative. Keep the small card IDs so fronts and backs stay matched.

No two-sided printer?

Print the front and back pages separately, one-sided at 100%. Cut them out. Match each NUM number and verse reference; glue pairs back to back with top edges aligned. Let dry fully. Manual paper refeeding varies by printer, so test plain paper first.

Optional lamination

Cut paper cards out first. Use a pouch approved for your laminator. Leave at least ¼ in between cards and ⅛ in clear film around every paper edge, or more if the pouch maker requires. A 2 × 4 arrangement fits a Letter pouch with these gaps. Laminate and cool as directed. Trim with at least ⅛ in of sealed film around each card; never cut through the seal.

A grown-up handles the tools

An adult should operate the laminator, trimmer and sharp scissors. Round sharp plastic corners without opening the seal. Avoid small rings or loose fasteners for young children. Keep cards away from babies and children who put objects in their mouths.

Physical printing, holder assembly and lamination have not been tested. Check plain-paper alignment and holder fit before cardstock or lamination.

Understand words and context

These notes help families read the complete verses together. The explanations and questions are teaching aids, separate from the Bible text.

Read the blessing together

God gives Aaron and his sons the blessing in Numbers 6:24-26 to speak over Israel. Keep all three cards together. The pictures of God's shining face and turning toward his people express favor and care. This blessing does not promise a life without pain.

Follow the journey

In 9:8, people ask how to observe Passover, and Moses seeks God's answer. Unclean in this passage names an ancient ritual status, not a person's worth. In 9:16, it means the tabernacle. In 11:29, him means Joshua: Moses welcomes God's Spirit working through other people.

Know the people

In 27:5, their cause is the inheritance request of Zelophehad's daughters: Mahlah, Noah, Hoglah, Milcah and Tirzah. God affirms their request in verse 7. In 27:18, God speaks to Moses and names Joshua as Israel's next leader. The following verses show his public appointment. Read each short card with its story.

Words to explore

Yahweh: God's name, often printed LORD in other English Bibles.

Keep / gracious: Watch over and care for / showing kindness.

Peace: Well-being, not only quiet.

Passover: Israel's celebration remembering rescue from Egypt.

Tabernacle: Israel's worship tent during the wilderness journey.

Prophets: People who speak messages from God.

Inheritance: Property passed on when someone dies.

Commissioned: Appointed to a task; this word appears in the Joshua story.

Practice gently together

Read the blessing aloud together, then choose one story. Notice who speaks, who listens and who needs care. Practice listening to a question before answering, or thank someone for using their gifts to help others.
